

Master Lock®

Nørregade 25 • DK-9700 Brønderslev • Tel: +45 96 45 56 56 • www.pn.dk

Unlock with Bluetooth

Bluetooth padlock and key box. Everything is checked from an app on your smartphone.

Share temporary or permanent access, unlimited, via bluetooth.

The key box contains additional possibility to share access via code. The hinges on the padlocks are made of boron alloy, giving maximum resistance to clipping and sawing.
